Beautifully Maintained Home Backing to Private Wooded Lot – Move-In Ready! This updated 4-bedroom, 3.5-bath home offers privacy, space, and comfort in a highly desirable location. Situated on a spacious lot that backs to a privately owned wooded area, you'll enjoy peaceful views and welcome shade during the summer months. Built in 2006 and meticulously maintained by the original owners, the home features hardwood floors in the foyer, kitchen, breakfast nook, and a dedicated first-floor office—perfect for remote work. The formal dining room connects to the kitchen through a butler's pantry with granite countertops and extra cabinetry, adding both style and convenience. The kitchen and all bathrooms are upgraded with granite countertops. A stunning two-story foyer and great room provide abundant natural light throughout the home. The finished basement includes a full bathroom and offers the ultimate entertainment space.
